

Hello!

My name is Phoebe DeVincenzi and I am running Dancewave's Youth Leadership Council for the 2020-2021 school year and wanted to reach out to share a bit more about our program!

Dancewave's Youth Leadership Council (YLC) is part of a FREE citywide advocacy program for teens run by NYC Service in partnership with the NYC Mayor's Office.

Through this program youth will learn how to influence their neighborhood and city through policy, practice, and advocacy. Teens in our program work together to turn a passion for social activism and leadership into real change by creating their own activities and events to engage peers and their community.

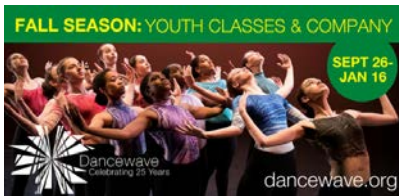

YLC is a monthly commitment and all meetings will take place virtually unless otherwise notified.

If you know anyone who is between 13-18 years old and would like to get involved- Please visit our [website](#) to learn more or find us through the [NYC Service website](#) (Brooklyn). Application is open through **October 19, 2020**.

Please do not hesitate to reach out if you have any questions!

All the best,
Phoebe
