Honoring Teachers

Pacific Islander Heritage Month

As Asian American Pacific Islander (AAPI) Heritage Month comes to a close, I hosted a celebration in my district office. I had the opportunity to honor 4 community leaders for their contributions to our district.

Congratulations to John Park, Executive Director of MinKwon Center for Community Action; Clara Kang, Principal of P.S. 376; Karen Lin, School Leadership Team Co-Chair at Townsend Harris High School; and Joby Jacob, Co-Founder of Motor Parkway East!

Ensuring Transportation Transparency

My legislation to require the New York State Department of Transportation (DOT) to create a 20 year State Transportation Plan with updates every five years passed the Assembly with overwhelming bipartisan support! The legislation also ensures that the plan is maintained on a public website to ensure transparency. New York taxpayers deserve an accountable capital planning process of their state transportation and infrastructure dollars. Read more [here](#).

Honoring Teachers

I had the immense privilege of presenting a proclamation to my alma mater, The Solomon Schechter School of Queens on the occasion of their annual dinner. It was a joyful moment to recognize my former teachers who have influenced so many other students over the years.
